

PADI ADVANCED OPEN WATER DIVER COURSE

The Adventures in Diving program offers both the Adventure Diver and Advanced Open Water Diver certifications. Ocean Enterprises offers 1/2 price for rentals. You need to complete any three adventure dives to earn your PADI Adventure Diver certification. If you complete your Deep Adventure Dive, Underwater Navigation Adventure Dive and three Adventure Dives for a total of five, you can earn your Advanced Open Water Diver certification. You may be able to get college credit for this course! Go to <http://www.padi.com/padi/en/footerlinks/collegedcreditsace.aspx> for details.

Why Advanced Open Water Diver?

After your five dives, you'll be more experienced, feel more comfortable in the water and simply enjoy diving more because you better understand the underwater environment. The Ocean Enterprises Advanced Open Water Course has NO class sessions, only one orientation session. The home study and simple knowledge reviews make the bookwork easy. The course is mainly focused on the adventure dives that you choose to experience with your Instructor.

What qualifications do I need to start?

- PADI Open Water Diver certification (or qualifying certification from another organization)
- Minimum age: 15 (12 for PADI Junior Advanced Open Water Diver)

What will I do?

This certification includes five Adventure Dives, including the Deep Adventure Dive, the Underwater Navigator Adventure Dive and three of the following:

- Altitude Diver
- Boat Diver
