

PADI ASSISTANT INSTRUCTOR

The PADI Assistant Instructor course is the first portion of the PADI Instructor Development Course (IDC). You'll not only gain additional experience as a PADI Professional but you'll also start learning the PADI System of diver education. You also may be able to earn college credits by taking this course. For details visit <http://www.padi.com/padi/en/footerlinks/collegcreditsace.aspx>.

What can PADI Assistant Instructors do?

- Teach academic presentations under the indirect supervision of a PADI Instructor
- Evaluate Open Water Diver surface skills under the indirect supervision of a PADI Instructor
- Teach the PADI Peak Performance Buoyancy Specialty course
- Teach Project AWARE Specialty courses
- Conduct PADI Discover Scuba experiences
- Teach Emergency First Response after successful completion of an Emergency First Response Instructor course

What qualifications do I need to start?

- PADI Divemaster rating or qualifying certification from another certification organization
- At least 18 years old
- Have 60 logged dives, including night, deep, and navigation dives
- Have been a certified diver for at least 6 months

What will I do?

- Knowledge development through self-study, quizzes, lectures and presentations
- Confined water skill review and assessment, workshops and presentations
- Open water workshops, rescue assessment and candidate presentations

How long will it take?

- The course can vary from as little as three days to more than two weeks. Contact Ocean Enterprises for a flexible or private schedule, or join in on the first three days of an IDC.
