

# PADI SCUBA REVIEW

## Why PADI Scuba Review?

Are you a certified diver, but haven't been in the water lately? Are you looking to refresh your dive skills and knowledge? Are you a PADI Scuba Diver or referral student diver and want to earn your PADI Open Water Diver certification? If you answered yes to any of these questions then PADI Scuba Review is for you. After the scuba review you may want to go on a Discover Local Dive with an Ocean Enterprises divemaster. We have a package that combines both the Scuba Review and Discover Local Diving. This course is also available through PADI e-Learning.

## What qualifications do I need to start?

- Hold a scuba certification or be enrolled in a scuba certification course
- Minimum age: 10 years old

## What will I do?

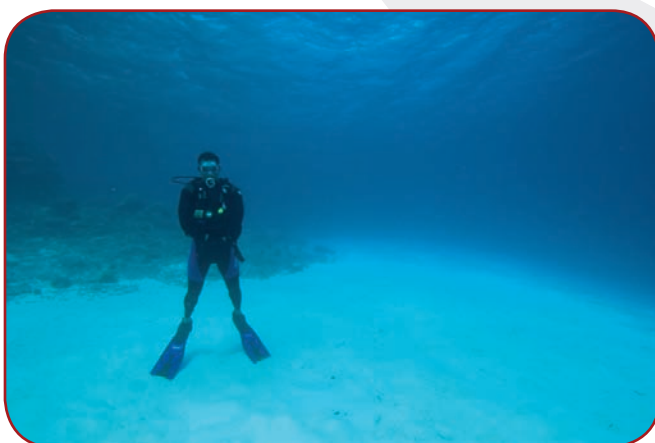

First, you'll review the safety information you learned during your initial training. Then, you head to confined water to practice some of the fundamental scuba skills. There's also an optional supervised open water dive.

## How long will it take?

A few hours to a full day

## What will I need?

- PADI Scuba Tune-up guidebook or PADI Scuba Tune-up Multimedia Pack or get started today with eLearning.
- Use your own scuba equipment or rent ours at ½ price
