CAPABILITIES STATEMENT

SUPPLYING YOUR GOVERNMENT NEEDS SINCE 1979

CORE COMPETENCY

- Over 40 years of experience servicing the military, commercial and Public sector dive communities.
- Government/retired military on staff that are both experienced and proficient in the technology necessary to support the wide range of Federal, State, and local requirements.
- 100% customer satisfaction, guaranteed.
- Government sales team with over 150 years accrued military and sales experience.
- Government approved supplier of scuba, search and recovery, swift water rescue and other marine activity gear.
- ONE-STOP procurement capabilities.
- Authorized repair center for all major scuba brands with factory certified technicians, offering Certified Repair and Inspection classes.
- PADI 5-Star Instructor Development Center, offering scuba certifications from Open Water to IDC Staff Instructor.

DIFFERENTIATORS

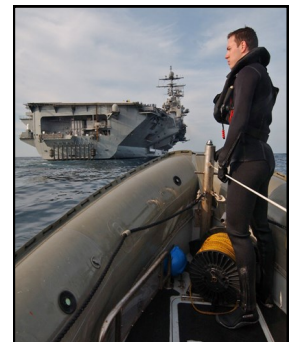

- We work hand-in-hand with end users to develop *mission specific products with manufacturers.*
- Over 165 manufacturers currently represented.
- Languages spoken: English, Spanish, German, Swiss and Austrian.

PAST PERFORMANCES

- **With contracts ranging in value of over \$212,000 to \$39,974.00**, we have provided services to customers in the last 24 months as follows: Department of Veterans Affairs, Global PCCI (GPC), Long Beach College, Los Angeles Fire Department, and National Oceanic and Atmospheric Administration (NOAA).

Recurrent customers include:

- All Navy search and rescue
- Naval Special Warfare (SEAL, EOD, SWCC)
- Naval Diving and Salvage units
- Marine Corps Special Operations Command
- Department of the Interior (National Park Service, and Department of Fish and Wildlife)
- Army Corps of Engineers
- Department of Homeland Security
- Department of Justice

PRODUCTS & SERVICES

Products: all scuba brands and their full lines: masks, snorkels, fins, boots, gloves, wetsuits (warm, temperate and cold water, stock and custom sizing), buoyancy compensators, tanks, weights, bags, lights, cameras, diver propulsion vehicles, spear guns, floats, communications equipment, lift bags, instruments (manual gauges, computers and watches), dry suits and accessories, hoses, oxygen analyzers and training and reference publications. On-site demonstrations available, upon request.

Services: rental department stocking over 150 tanks and full scuba kits to include steel tanks, full face masks, diver propulsion vehicles and closed-circuit rebreathers (Poseidon MK VI and Se7en CCRs). In-house repair department servicing all major regulator and buoyancy compensator brands.
